Products Details

Material	1.5mm CRS Cold rolled steel	Dimensions (WxL)	35x109mm For 4 FAP Plate 35x130mm For 3 FAP Plate (LGX size) 35x197mm For 2 FAP Plate
RoHS Compliancy Status	Compliant	Application	Mount In a 19" Network Rack Plate

Features:

Blank Plate Reserves Space for Future Expansion
Metal Plates ensure superior thermal insulation performance
Cover empty spaces to prevent from dust and keep clean
Offer users the ability to add terminations incrementally
Improved reconfiguration during moves, adds and changes
Simple snap-in installation and removal with no tools required

Application

Unoccupied space in the enclosure will cause hot air to penetrate back into the cold aisle. Blank adapter plates are a simple measure that can be used to prevent this problem.
